FBLA Performance Judges Needed January 25-29

Future Business Leaders of America (FBLA) inspires and prepares students to become community-minded business leaders in a global society through relevant career preparation and leadership experiences. Students have the opportunity to compete at the district, state, and national level in a variety of subjects from computer science to entrepreneurship.

FBLA District 13 is eagerly preparing for our annual District Competition, and we would like to invite you to serve as a virtual judge at this exciting event. FBLA District Competition is your opportunity to evaluate the best business and technology students in our county and help determine who will represent Hillsborough County at the FBLA State Leadership Conference.

Judging will be virtual this year, taking place January 25th - 29th.

If you are able to volunteer please sign up! <https://bit.ly/WMMSFBLAJudgeVolunteer2021>
