## 8th Grade Shout Outs! We Want To Recognize Our 8th Graders!

Parents, we are proud of the accomplishments of each 8th Grader and we are doing a special project for them. We need your help!

We are creating personalized Shout Outs for all the 8th graders! They will be on social media and the WalkerPTSA.com website.

Please follow this link <http://bit.ly/8thgradeSO2021> to complete the information and submit a picture, which is optional. We did this for every 8th grader last year and it was a huge success!

Here are two examples of our Shout Outs from last year:

**Deadline: April 15, 2021**
