SCHOOL OF EXCELLENCE

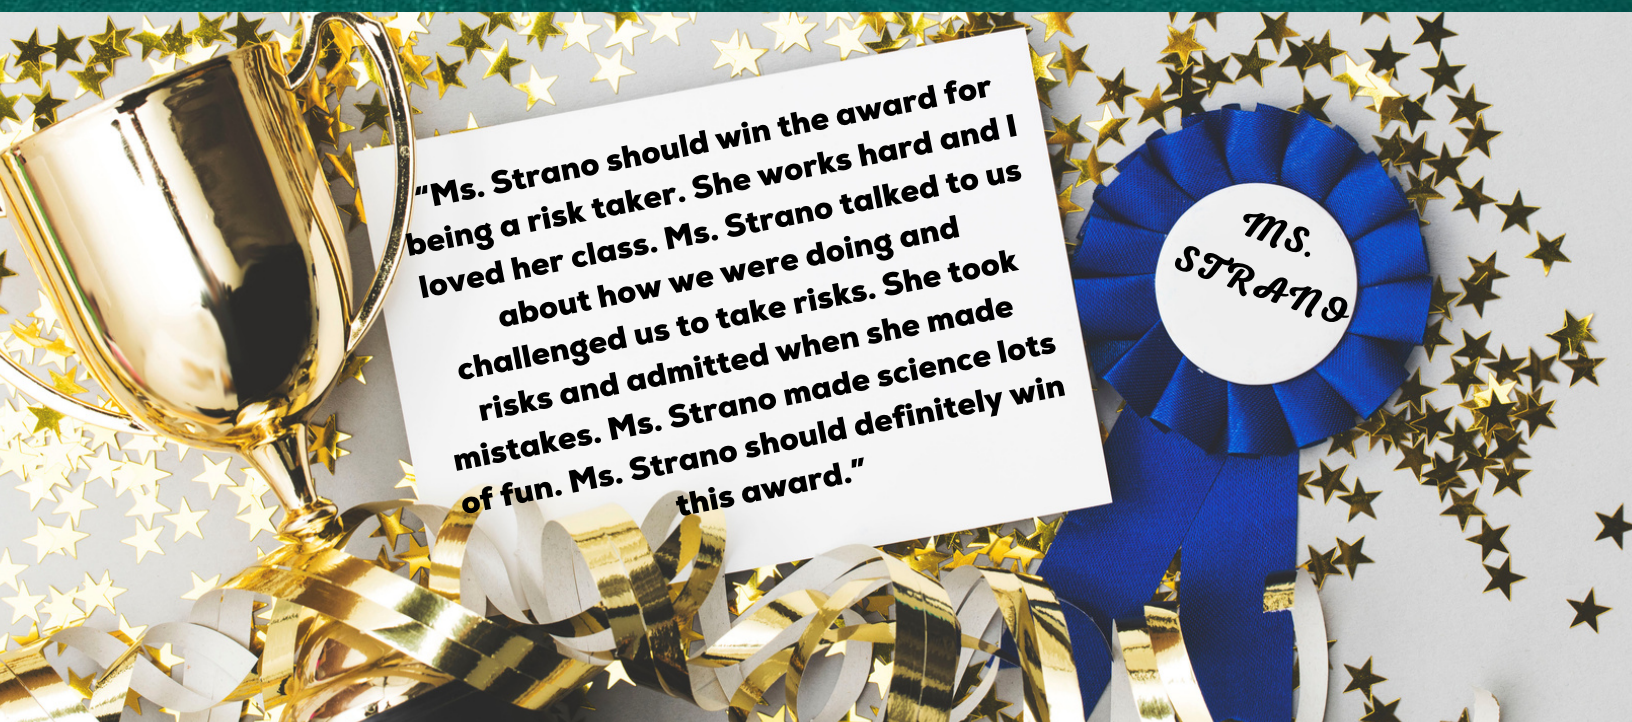

WHY IS IT IMPORTANT TO BE A RISK TAKER?

A Risk Taker is a person who takes and tries something new. These risks can be big or small. For example, NASCAR drivers are risk-takers because they drive fast even when they know that there is a high possibility that they could crash. Taking risks allows us to step outside of our comfort zone, innovate, invent, and inspire others! Our students had the opportunity to nominate a teacher for the IB Risker taker award!
