## LETTER FROM THE PTSA PRESIDENT

Welcome Walker Wolves to a new school year and a new year of PTSA - My name is Heather Capobianco and I have the privilege of serving as your PTSA president for the 2019-2020 school year. Whether this is your first year at Walker Middle Magnet or you are a returning family, I would like to welcome each of you!

Introducing our Walker Middle Magnet PTSA Executive Board Team:

VP of Programs - Christi Regan	VP of Advocacy - Lisa Morales
VP of Ways & Means - Ali Rawlings	VP of Communications - Lesley Davies
VP of Volunteers - Misty Hubbard	Treasurer - Rachel Coleman

PTSA has a great team this year but all we are missing is **YOU**. I encourage each and every one of you to become a part of our team and become a PTSA member **HERE**. We have volunteer opportunities for everyone who wants to be involved. A few reasons why you should join the PTSA is it allows us to contact you as a volunteer for variety of activities throughout the year or serve on one of our many committee positions. We would like to thank you in advance for your contributions, donations, time, and commitment to our organization, our school, our teachers, and most importantly our students. It is such a rewarding experience. The number one reason to join PTSA is to benefit the children. Please remember that to be allowed to volunteer during school hours you must fill out the volunteer application, found **HERE**.

# LETTER FROM THE PRINCIPAL

Welcome to the 2019-2020 school year! This year will be Walker's Year of Humanity. Students will lead the charge for kindness on our campus, in our community and with global contexts in mind. Our theme this year aligns closely with the IB Learner Profile Traits and aims to create a safe learning environment in which students can excel academically, socially and emotionally.

We are coming into this new school year with great momentum. Our FSA and EOC results show growth in each academic area. Although Walker student results surpass district and state scores, there is always work to do. Our students have inspired us to work even harder to maintain this forward progress.

The basis of further growth for our Wolves depends on the support of all stakeholders, including our amazing PTSA. That said, please check out the following links that will begin to open the lines of communication between parents and teachers/staff.
